Barnes & Noble College Blackboard Integration

Linking Blackboard to the Georgetown University Official Bookstore Website

Step 1:  Login to Blackboard with your student credentials.

Step 2:  Choose your course from your Courses module.

Step 3:  Click on BN Bookstore from the course menu bar.

Step 4:  A campus picker will open in your Blackboard window. Select between Georgetown University and Georgetown Law, and click Update.

Step 5:  You will be redirected to the Georgetown University Official Bookstore website in a new window or tab. If the window or tab does not launch, please ensure that pop-ups are allowed from Blackboard, and try again.

Step 6:  Sign in with your Georgetown Bookstore website email address and password, or create a new account.
Step 7: If creating a new account, fill out the form. Be sure to fill out the first three rows of information. Enter a phone number with no hyphens or parentheses, then create and confirm your password and type in the Captcha code before confirming. Note: the Student ID field is optional, but will help the bookstore if you use financial aid to order materials.

Step 8: After signing in or creating an account, your course information will auto-populate to match the course you chose in Blackboard, and your course materials will appear here in all available formats.
Step 9: Your course materials will appear in all available formats. You can select your preferred format and add to cart, update your course list to add more of your courses, browse the site, and check out at your convenience.

Step 10: Your Blackboard account is now paired with the bookstore website.
- When you use the BN Bookstore link in the future, you will be sent directly to your course materials.
