FOR STUDENTS: Is My Course on Blackboard or Canvas?

Which Learning Management System (LMS) is my instructor using, Blackboard or Canvas?

Please contact your instructor directly and inquire about which LMS platform they will be using for their course. You can look for your instructor's contact information in the Georgetown University online directory.

In the meanwhile, you can log in to both Blackboard and Canvas to see if you can identify your course site:

- Blackboard at Georgetown can be accessed at:
  https://campus.georgetown.edu
- Canvas at Georgetown can be accessed at:
  https://georgetown.instructure.com

Please log in to each and look for the courses that you are enrolled in for the current term (please note that NOT all instructors will use either Blackboard or Canvas, so you may not see all of your courses).
