## Georgetown URN Registry

This is a registry of the various [Uniform Resource Namespaces](#) (URNs), controlled by Georgetown, that we use within our projects.

You may wish to review these sources if you are unfamiliar with URNs:

- [RFC 2141](#) - The URN syntax specification
- [RFC 3406](#) - The URN registration Mechanism
- [IANA URN Registry](#) - The big URN registry in the sky

### urn:mace:georgetown.edu

This is the root of the Georgetown name space, assigned to use by [Internet2 Middleware Architecture Committee for Education](#) (MACE).

**Assignment Date:** February 24, 2005

**Owner:** Chad La Joie
